NOVA STONE QUARTZ VIETNAM CO., LTD.

COMPANY PROFILE

Established in 2019 in Binh Duong, Vietnam, NOVA STONE QUARTZ VIETNAM CO., LTD. is a leading manufacturer of Artificial Quartz Stone, complemented by select engineered marble, sintered stone, and natural marble products.

The company specializes in jumbo quartz slabs, prefab kitchen/bathroom countertops, and custom fabrication for residential, commercial, and hospitality projects, serving prominent U.S. clients such as Kohler, Home Depot, Lowe's, Menards, Hilton, and Hyatt.

With 20 years of industry expertise, NOVA STONE produces anti-dumping free quartz in a state-of-the-art facility with advanced automation, offering cost-effective, low-tariff solutions.

Supported by a reliable 80 containers/month capacity, the company upholds a commitment to quality, precision, and timely delivery, crafting fully Vietnam-sourced products tailored to diverse project needs.
